## Gloriana, Time To Let Me Go

Every time I had a problem Didnt know what I should do Singing oh I would run to you You were there to guide me Always there to pull me through Singing oh I would run to you Run to you But Im Tired of walking in your shadow So by this time tomorrow Ill be on a plane singing I never meant to hurt you You know how much I love you I know you love me so But it's time to let me go I gotta learn to be myself Wont happen if I stay Singing oh I gotta get away We could talk it over But theres nothing left to say Singing oh Gotta get away Get away But Im Tired of walking in your shadow So by this time tomorrow Ill be on a plane singing I never meant to hurt you You know how much I love you I know you love me so But it's time to let me go Tired of walking in your shadow So by this time tomorrow Ill be on a plane singing I never meant to hurt you You know how much I love you I know you love me so But it's time to let me go

Time to let me go
