ta ta ta-ta  
ta ta ta-ta  
ta ta ta-ta

ta ta ta-ta

hey, do you recon?  
would you recognise  
when she  
when she walks by

hey, do you recon?  
would you recognise  
her blue ...  
and her special table dance

when she comes closer  
you don't mind to blow her kisses  
and fl..

oh-oh  
there she goes  
and take a look at her

you think it's easy  
you think you're taken  
and ho-oh oh

do you recon  
would you recognise  
when she  
when she walks by  
hey do you recon  
would you recognise

..  
and when she kicks her shoes off

oooh there she goes

..  
she's doing slow  
it drives you mad

you think it's easy  
you think you're taken  
and ho -oh oh

ta ta  
ta ta

and there she goes  
she walks on her own  
whoa how  
there she goes  
she shouldn't walk alone  
there she goes

there she goes
