Gluecifer, Critical Minute

Rack'em up for a straight ruler and take the curse I've never felt too good but tonight I think I'm feelin' worse Gotta get some power lotion and go lubin' up them joints Gimme full speed to the breakdown baby I got terror boilin' in my loins

Critical minute and I'm feelin bad Just not in it I'm feelin'so goddammn had Critical minute and I'm feelin' down Just not in it

Stuck with boredom stuck with hate stuck with a really lame debate Sonic eyeball action and it's meant for me So pack it up now and be sure to keep it closed I'm desperately seekin' all the words that I hate the most
