

Gman Blues, Knee Deep

Knee Deep

Sweet Patoots

You got me jumpy like a bug in June
I've changed my tune
And now I'm bayin' like a dog at the moon.

In my eyes

You're gonna find a sweet surprise

Tangled up

Knee deep in love

I'm knee deep in love

Not a thing I'm very proud of

You got the better of

Knee deep in love
