

# Gnarls Barkley, Surprise

(Unintelligible)

It's cool being the only one  
But it's lonely  
I could have fallen in love a thousand times before  
If only someone had known me

They say there's someone for everyone  
Oh but the work would be never done  
When all you need is to be met half way  
But nobody tries

Don't be surprised  
Don't be surprised  
Don't be surprised

There are hills and mountains between us  
Always something to get over  
Needless to say it's a wonderful day  
I just noticed how nice it was to know ya

Oh but be ready to sacrifice  
If you love him you should tell him twice  
Because when everything that's alive  
Ultimately dies

Oh lord  
Don't be surprised  
Don't be surprised  
Don't be surprised

Somebody's watchin  
Maybe you want 'em to see you  
But with your regrets and secrets you don't  
Really want them to be you

Well you can make believe I'm that  
And for now I'll be just fine  
But when the child grows up to have more  
Than just your eyes

Don't be surprised  
Don't be surprised  
Don't be surprised

Now the ending to every story is most enchanting  
Now whether its heaven or hell I wear it well  
Please forgive me for rambling

I just wanted ya'll  
To know that I don't know it all  
So when that big ol' smile ends up  
Being just a disguise

Don't be surprised  
Don't be surprised  
Oh lord  
Don't be surprised  
Oh lord  
Don't be surprised

I said don't be don't be surprised  
There's nothing left in here  
That's surprising baby 'prising baby
