

# Go Sailor, Every Day

walking around in the haze of loving you  
so tired, not used to this  
not knowing what to do  
am I smart enough to make you see  
if this is hard for you, then it's twice as hard for me

oh, can I give my heart away  
oh, can I do this every day  
this troubles me and I know it troubles you  
and the worst part is that I know you love me too

trying to say it so you know that I'm sincere  
my love and my devotion, throw away my fear  
and if you're willing, then so am I  
how can you ever know if you never even try

oh, can I give my heart away  
oh, can I do this every day  
this troubles me and I know it troubles you  
and the worst part is that I know you love me too
