

# Go Sailor, I Just Do

I dropped a penny and you picked it up  
you want to be something when you grow up  
you make me laugh and you don't even try  
you say that sometimes you just like to cry

I'm in love with that  
I'm in love with you  
and I'm in love with everything that you do  
you couldn't make a mistake in my eyes  
just the way that you are has got me hypnotized  
that I'm dreaming, dreaming  
dreaming about you

I asked you if you could ever love me  
you said the oranges in your garden are free  
I asked you if there was more to this thing  
you said that you liked the way that I sing

I'm in love with that  
I'm in love with you  
and I'm in love with everything that you do  
you couldn't make a mistake in my eyes  
just the way that you are has got me hypnotized  
that I'm dreaming, dreaming  
dreaming about you

somebody took all the things that  
I wish for the most and put them in you, in you  
I know that I shouldn't like you this much I can't help it  
oh well, I just do  
I just do

I said that being your friend was okay  
you called when I wasn't home yesterday  
I offered romance to you by mistake  
still you laugh at most every joke that I make

I'm in love with that  
I'm in love with you  
and I'm in love with everything that you do  
you couldn't make a mistake in my eyes  
just the way that you are has got me hypnotized  
that I'm dreaming, dreaming  
dreaming about you
