

Go Sailor, I'm Still Crying

I'm still crying and I don't know what to do
I'm still trying to forget all about you

soon enough I will be over you
it won't matter where you are or what you do
someday I hope to forget that we ever met
just as soon as I'm through crying

I'm still crying and I don't know what it might be
that just when I think that I don't miss you
this crying comes over me

soon enough, I will be over you
it won't matter where you are or what you do
someday I hope to forget that we ever met
maybe then I will stop crying

soon enough I will be over you
it won't matter where you are or what you do
someday I hope to forget that we ever met
just as soon as I'm through crying

I hope to forget that we ever met
maybe then I will stop crying
