

# Go West, Don't Look Down - The Sequel

By GO WEST

How much longer 'till the curtain rises?  
First night stagefright always hypnotizes  
Leading ladies never think about it  
Live without it  
Try to hide your fear of falling  
Keep your eyes on me... I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away

One more heartbeat and you walk the wire  
Why wait? It's too late to put out the fire  
Almost strangers.. can you stop deceiving  
Start believing  
Try to hide your fear of falling  
Keep your eyes on me.. I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away

Even when you feel you can't go on  
Laughing at the rain you fool no one  
If you don't want to lose what you have found  
Then don't look down

Changing partners is just substitution  
It's no solution  
Try to hide your fear of falling  
Keep your eyes on me.. I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away
