

Goapele, Closer

Closer to my dreams
its coming over me

I'm getting higher
closer to my dreams
feel it in my sleep.

Sometimes it feels like I'll never go pass here
Sometimes it feels like I'm stuck forever, ever

Chorus
But I'm going higher
Closer to my dreams
Going higher and higher
I can almost reach

Sometimes you just have to let it go
leaving all my fears to burn and die
Push the all away so I can move on
Closer to my dreams
Feel it all over my being
In my being.....
Close your eyes and seek what you believe

Chorus
I'm moving higher
Im going higher and higher
Closer to my dreams
Higher and higher

I'm moving upward and onward and beyond all that I could see
Stretching out my arms so I can reach
I'm so close
It's like I can just reach
I can feel my dreams
Closer to my dreams
I'm moving closer to my dreams

Sometimes it feel like you'll never grown change
But you never choose to walk away.
