

# God Dethroned, Loyal To The Crown Of God Det

The priest is raped, the churches burn  
Reality of lost existence  
Catastrophe was long foreseen  
Nothing's done, it had to be  
Rape the world for inbred ghosts  
The lunatics to reign this world  
Dehydrate the holy wells  
Castrate the redeemer

You've deceived me, you've betrayed me  
You ran away with the devil's gold  
Cut the flesh, slay the soul  
You've deceived me, you've betrayed me  
You ran away with the devil's gold  
I will teach you obedience  
Loyal to the crown of God Dethroned

Spirits of a higher kind don't show their flesh  
You must be blind  
Give your blood to Satan's son  
It's a dirty job but should be done  
Nightmares of the holy ghost  
Smacked around a banished foe  
Creators of the devil's children  
Spread around your demon seed

You've deceived me, you've betrayed me  
You ran away with the devil's gold  
Cut the flesh, slay the soul  
You've deceived me, you've betrayed me  
You ran away with the devil's gold  
I will teach you obedience  
Loyal to the crown of God Dethroned

Jesus wept, Mary bled
