

God Forbid, Ashes Of Humanity (Regret)

Why is it like that?
My words are unheard
And I still be sick

I loved you and now miss you
All my tears are now falling for my lost words
I hope you're happy where you are
rest in peace
Regret

The day of reckoning is now at hand
We'll miss you
Until the end of time

End of time
Things neglected now seem so far away

(I hope you can forgive me for what I had not said)
Goodbye

Are you happy for this pain I feel?
Will I remember?
Yes I will
Regret

I will see you one day
So will you rest in peace?
I will not forget
The joy you brought, your spirit
Is now endless
No more pain
