

God Forbid, Welcome To The Apocalypse (Preamble)

Welcome To The Apocalypse (Preamble)

Welcome to the apocalypse.
The rain falls into the deepest chasm of despair.
Despair.
He opened his arms and she turned away.
Rain fell because it didn't have to be this way.
Falling down. Don't see the end
I'm falling down. Don't see the end.
All we have is time
It's time to let go.

We the people of the United States, in Order to form a more perfect Union,
establish Justice, insure domestic Tranquility, provide for the common defense,
promote the general Welfare, and secure the Blessing of Liberty to ourselves and our Posterity,
do ordain and establish this Constitution for the United States of America.
