

God Lives Underwater, Drag Me Down

You don't know me
Think you can judge me
Budge me rape me
Love me. You wait for me to
Just believe you
Like all the times before
I was young then
Ask for it again
I feel the sweat in my eyes
How could you treat me
Just like a child when
I couldn't even realize.
Do you love me
Do you need me
Maybe someday
Yeah
Do you please me
So I'll please you
Don't drag me
Don't you drag me down. Now I know you
Think that I love you
Trust you want you
Don't you
You want me to
Be afraid to
Say anything on my mind
I can't understand
Why another man
Wouldn't leave you alone
Maybe they don't
See what I see
I hope your left on your own
