God Lives Underwater, Tortoise

I know what it takes to normalize To slow me down and cut me down to size I wanna get that feeling To touch the ceiling So send me reeling I wanna know How can I ease my mind Ease my mind Yeah I'm being taken away I'm feeling that I'm finding my way To something that's completely overwhelming me I get tired of most everything I anxiously await the gifts you bring I spend my time thinking And I hate thinking To stop this thinking I want to know How can I pass the time, pass the time
