

# God Lives Underwater, Try

I can see you but I don't know what you're thinking  
I can feel you but I don't know what you're feeling  
You take me away when I look in you're eyes  
I can't reach you no matter how hard I try.  
I don't care what gets in the way  
Somedays I don't know how to say  
I can't get this through to you  
Maybe you just don't want me to try.  
I can touch you but I don't know if you'll let me  
If you let me I don't know if I'll want to  
You push me away and I don't come back  
Sometimes it's so hard to get you to react.  
I can't help it I'm too young to be truthful  
Maybe I'm not good enough to deserve you  
It eats me away I can't fight back  
Can't you help me I want you to protect me
