

God Lives Underwater, We Were Wrong

Breathe
Turning blue and I can't
Breathe
Underwater underneath
And we're way too deep
To save ourselves
Now that you don't know me
And I've been away too long
Have you also been growing
Seen how we were wrong
Deep
My misery is now complete
I've been falling under feet
And I'm way too deep
To save myself
Please I'm losing consciousness it seems
Like everyone's on top of me
And these suffocating dreams
Are real to me
