God Machine, Home

Black car wrong side of the road Saying look out jack We're taking him home To his promised land We're taking him home To his promised land See the woman point to the sky Cross her heart and hope to die Jesus made her do it Jesus made her do it And now she's taking him home She's taking him home To his promised land I'm a wayward soldier on my way I'm a wayward soldier on my way To my promised land
