

# God Machine, Painless

There's a shadow on my wall that tells me the time  
It says you're always late and you can't miss this train  
Well I open my mouth but I hear no sound  
And you said life could be painless  
And I'm sorry but that's not what I've found  
And she said life could be painless  
I'm sorry but that's not what I've found  
But I open my mouth but you hear no sound  
And you said life could be painless  
I'm sorry but that's not what I've found  
You said life could be painless  
I'm sorry but that's not what I've found
