

God Machine, She Said

She said you chew me up and then you
Spit me out and you can't do those things
I said you fed me like I was a baby
And I never asked you for ...
Anything
She says why do I always have to bleed
Maybe then I'll love you
She says why do I always have to bleed
Maybe then I'll ...
Love you
She said you can't see anything
She said you can change anything
She said you can paint your sky any colour
Any colour it's all up to you
And you can paint your dark as dark as you need
And you can paint your light as light as you please
It's all up to you
