

God Machine, The Flower Song

I wish I could fly
And I wish I could die
I wish I was the cross in othello's eye
I wish I was a stone
In those castle walls
So I could be a thousand years old
And a hundred feet tall
I wish I could fly
I wish I could fly...

I wish I could fly
And I wish I could die
I wish I was the cross in othello's eye
I wish I could fly
I wish I could fly...
I wish I was a flower
Blowin' in the wind
So I could fly away but come back
Again and again
Again and again...
Or will I always be alone standing
Staring at the sky
Or will I learn to fly
Or will I learn to fly...
