

# God Machine, The Tremelo Song

Cut myself 'cause I can't see the beauty  
Feel myself 'cause I can't see the light  
Tell myself that I do not deserve this  
Tell myself that I do not deserve this  
I'm just a simple man  
But I'm just a simple man  
Tell myself the bad things are  
Safe in a place where they'll do no harm  
It's easier to see when I open my eyes  
That all the bad things, that all the bad things are  
In my mind  
Are in my mind  
But I'm just a simple man  
I'm just a simple man
