

# God's Property From Kirk Franklin's Nu Nation, S

Tell me how you feel when you're all alone no one to say I love you and you feel all your hope is gone  
Try to call your best friend. But he's not there, so you wind up feeling empty like no one cares

My brother don't you worry storms don't last always  
There's a man from glory full of mercy and grace

He'll pick you up he'll hold your hand he'll ease your pain  
so you can smile again good God Almighty

Tell me how you feel when you're all alone  
No one to say I love you and you feel all your hope is gone  
Try to call your best friend but he's not there  
So you wind up feeling empty like no one cares

My brother don't you worry storms don't last always  
There's a man from glory full of mercy and grace

Keep your head up smile again  
keep your head up smile again
