

Godfathers, Another You (The Godfathers)

I'll go to church and say a prayer
I'm not the first you've known
But I don't care
You won't believe me but you know it's true
That I could never find another you
It's growing dark I will survive
The dream I dreamed of you
Keeps me alive
You won't believe me but you know it's true
That I could never find another you
You won't believe me but you know it's true
I could never find another you
