

# Godfathers, Cause I Said So (The Godfathers)

I wake up in the morning and I feel like a king  
Make love not work I can do anything  
Can rule my own world and never have to listen  
I'm living like there's no tomorrow  
You know there really isn't  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
Every day's a thrill when you're living like me  
Don't read Baudelaire's poetry  
And I don't need no Ph.D.  
'Cause I'm ten times smarter than you'll ever be  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so  
Now listen all you peoples to what I have to say  
Every night's a gas if you want it that way  
All you need is money and a little bit of luck  
I ain't greedy baby all I want is all you've got  
'Cause I said so  
'Cause I said so  
'Cause I said so  
'Cause I said so
