

# Godfathers, Tell Me Why (The Godfathers)

Why do I phone you up  
Why do I make a fuss  
Tell me why, tell me why  
I never really thought  
That it could be the two of us  
Tell me why, tell me why  
You are the only one, yes you're the only one  
You are my number one, yes you're the only one  
You are the only one  
And why do I believe  
That I could never leave  
Tell me why, tell me why  
But will this feeling last  
When hearts can change so fast  
Tell me why, tell me why  
You are the only one, yes you're the only one  
You are my number one, yes you're the only one  
You are the only one  
Yeah  
And I told her I loved her very much  
I told her I loved her more than life itself  
Then I told her, I told her I loved her  
More than I loved myself  
And that's saying something
