Godflesh, Paralyzed

From birth to death, just a slave, From birth to death, what am I, I can't believe in myself, I can't see past myself,

Why should I fight [???], why should I fight, turn my back, Nothing can hurt me if its not real, From birth to death, it's all the same

From birth to death, just a slave, From birth to death, what am I, Nothing can hurt me if it's not real, From birth to death, I'm just the same
