

Godhead, Bleed

I don't believe
You when you say
That you don't know
What you want

I try to understand
Why you are
Never happy You live
Your life in fantasy
And glass cathedrals
Why don't you come down from
Your cloud And face reality

I want I love
I need I breathe
I lust I trust
I cheat I bleed

Behind the walls they
Built for you You live your
Orchestrated life inside your heart

You know it's wrong But you can't
Stop it Your soul it longs for
Something more But you can't find it
And so you blame me for it all
And choose another

I want I love
I need I breathe
I lust I trust
I cheat I bleed
