

# Godhead, Far Too Long

Pick away at my bones, There's nothing left to see  
I've been forever drowning in what you want to be  
The soonest I'd be leaving isn't quick enough for me  
I don't need a reason to be free  
Breathe my life until you see  
There's nothing left for me  
I've wasted far too long  
Feel nothing after a time  
Don't know why, down my spine  
Grieving is unrefined  
Can't cross the line  
I look for a sign  
Can you conceal the way you feel  
And what you steal from what is real and  
Breathe my life until you see  
There's nothing left for me  
I've wasted far too long  
wasted far too long  
Breathe my life until you see  
There's nothing left for me  
I've wasted far too long
