

# Godkiller, Nothing Left but Silence

Sometimes I wish I had no past  
No future  
No history  
No family

Sometimes I wish I came from nowhere  
And went nowhere  
I wish I had nothing to hang on to  
Nothing to give me the will to live  
Or to die  
I wish I was just passing through the years

Sometimes I wish I was out of time  
Sometimes I wish I was no-one  
Sometimes I wish I was nothing  
Sometimes I wish I was no-one  
Sometimes I wish I was nothing  
I wonder how it is when there's nothing left but silence
