

Gods Tower, I Am The Raven

I know my native mystery
My mystery's my fate to fly up
My fate to fly up liberty
My liberty's my ways in sky

Why call me back from heaven?

I am the raven bird of grief
I am of grief the sorrowbringer

Why call me back from heaven?

Black sorrowbringer misery
I am misery the lament singer

Why call me back from heaven?

I prayed my Gods to give me wings
Give me wings to learn to fly
There is the Heaven far away
Far away from greed and lies

Why call me back from heaven?

There is no evil in the sky
In the sky there is no evil

Why call me back from heaven?

See raven flies up liberty
My liberty is when I'm flying

Why call me back from heaven?

I fly...
