

Godsmack, Spiral

Sometimes we only live for the here and now.
Sometimes we're lonely.
Sometimes we feel we need a place to be grounded or fly away again

I will fly away again
I will fly away again
I feel rain pouring down
I wait to rot away, live again, here forever
The spiral never ends

Why are we feeling something's familiar around us?
Are we just dreaming?
Always we search for the answers but nothing is found
We fly away again

I will fly away again
I will fly away again
I feel rain pouring down
I wait to rot away, live again, here forever
The spiral never ends
Rot away, live again, here forever
The spiral never ends

I feel rain pouring down
I wait to rot away, live again, here forever
The spiral never ends
Rot away, live again, here forever
The spiral never ends.
