

Gogol Bordello, Super Theory Of Super Everything

First time I had read the Bible
It had struck me as unwitty
I think it may started rumor
That the Lord ain't got no humor

Put me inside SSC
Let's test superstring theory
Oh yoi yoi accelerate the protons
stir it twice and then just add me, 'cause

I don't read the Bible
I don't trust disciple
Even if they're made of marble
Or Canal Street bling

From the maelstrom of the knowledge
Into the labyrinth of doubt
Frozed underground ocean
melting - nuking on my mind

Yes give me Everything Theory
Without Nazi uniformity
My brothers are protons
My sisters are neutrons
Stir it twice, it's instant family!

I don't read the Bible
I don't trust disciple
Even if they're made of marble
Or Canal Street bling

My brothers are protons
My sisters are neutrons
Stir it twice dlja prekrastnih dam...

Do you have sex maniacs
Or schizophrenics
Or astrophysicists in your family
Was my grandma anti anti
Was my grandpa bounty bounty
Hek-o-hek-o-hej-o
They ask me in embassy!

'Cause I don't read the Bible
I don't trust disciple
Even if they're made of marble
Or Canal Street bling

And my grandma she was anti!
And my grandpa he was bounty!
And stir it twice
And then just add me!
