

# Gogol Bordello, Think Locally Fuck Globally

I came to New York to start Gypsy punk revolt  
Now that it's rockin' so why don't I just go home?  
Hei Chavorale,... Think Locally!  
Palo mande,... Fuck Globally!  
I can't believe back home they failed to understand  
That I am simply a chavo kind of man  
Hay Chavorale,... Think Locally!  
Palo mande,... Fuck globally!
