## Goin' Places, I Like Girl Songs

I like to listen to songs about girls, they brighten up the day Politics and twenty dollar words, that's just not my way Everytime I see a beautiful girl she has a corresponding song It makes me wanna go home and listen to MTX

Cause I like girl songs pretty girl songs silly girl songs every girl song

Laying in bed on a Saturday night listening to my stereo Being best friends with my record collection, there's no other way to go The music is all I got, but you're the one I want It makes me wanna go home and listen to the Queers
