

Going Nowhere Fast, Lost And Found

Go!

Tell him he's nothing,
tear him to the ground,
lose all faith in him.

He's in everybody's lost and found.

Cos he's already been there,
and he's heard it all before,
and he doesn't care what it is,
what it is your asking for.

Why can't I see?

(why can't I see?)

What everybody wants

Wants me to be

Why can't I see?

(why can't I see?)

What everybody wants

Wants me, to be.

He's taking names and he's taking numbers,
breaking chains and fighting numbness

Cos he won't forget what you've done to him.

Why can't I see?

(why can't I see?)

What everybody wants

Wants me to be

Why can't I see?

(why can't I see?)

What everybody wants

Wants me, to be.

Go!
