

Gold City Quartet, First Class

Verse

I've got a first class ticket
To that jubilee
It's been bought and paid for
I'll be travelin' free
When I hear that trumpet
In the by and by
I'll be movin' homeward
Brother I'm gonna fly

Chorus

First Class (I'll be flyin')
First Class (I'm not buyin')
The ticket is mine, He gave it to me
It was bought by the blood of calvary

First Class (I'll be Flyin')
First Class (I'm not buyin')
The ticket is mine, He gave it to me
It was bought by the blood of Calvary

Verse

I've got a first class ticket
To that gloryland
I'm gonna rise up shoutin'
To join that angel band
I'll be bound for heaven
Just might be today
I'm ready for that moment
When I shall fly away
