Golden Earning, Hold me now

Dreaming 'bout the future and drinkin' on the past Tinkin' 'bout the things that been forgotten Tryin' to remember and tryin' to forget That my life is empty without you Sayonara, close your eyes now little girl 'cause tomorrow is hidin' a whole different world Hold me now, you gotta guide me through the night Hold me now, make my ice-cold blood turn warm Talkin' 'bout our friends in love, our friends with broken hearts The one's I always keep forgiving That funny angel shot a poison pointed dart tonight I wanna keep on living For your love, close your eyes now little girl 'cause tomorrow's hidin' a whole different world Hold me now, you gotta guide me trough the night Hold me now, and make it last forever Hold me now, be my guide just for a while Hold me now, make my ice-cold blood turn warm Hold me now, you gotta guide me trough the night Hold me now, and make it last forever Hold me now, be my guide just for a while Hold me now, make my ice-cold blood turn warm
