

# Golden Earring, Dream

Suppose she will love me  
yeah I feel fine  
'cause there's nothing in the world  
that will change my mind  
I can't stand to feel the pain  
that she walk away  
that it's all in vein  
but when I awake  
I look outside  
now it feels cold everywhere  
can't find my pride  
she just lived a simple dream  
and she doesn't know  
what she means to me  
It's just a dream  
a dream to have her  
this dream to which we fall in love  
and it will stop the moment  
and then it's real  
It's funny how you know what you feel
