

# Golden Earring, Gotta See Jane

From the Album:

\* Lovesweat

Red light, green light,  
speedin' trough the dark night,  
drivin' trough the poundin' rain  
I gotta see Jane  
Windshield, wiper splashin',  
splashin', callin' out her name  
Just gotta see Jane  
I left her arms to find my way  
To find a place for me in the world outsid  
I wasn't alive, I could not survive  
The frantic pace, the constant chase  
to win the race, turned my heart cold inside  
I gotta find what I left behind  
Red light, green light,  
speedin' through the dark night,  
drivin' through the poundin' rain,  
I gotta see Jane  
Freeway, byway,  
tearin' up the highway,  
runnin' up a world insane  
Just gotta see Jane  
A town of steel that isn't real  
it could not feel what's in the haert of me  
I was so alone in a world of stone  
I missed her arms, that once held me  
that made me see, I was the lonely one  
But now and then I was runnin' scared  
and I could feel the touch of time  
Turnin' the wheel of life to yesterday  
When love and happiness were mine  
I gotta find that world of Jane and me  
Liked it used to be  
Oh, I gottasee Jane  
Her love for me I pushed aside  
walked out alone  
to face a world turned cold  
Although I tried I could not survive  
The frantic pace, the constant chase  
to win the race, it's not a part of me  
I've gotta find what I left behind  
Oh, I gotta see Jane, I gotta see Jane, etc.
