From the Albums:

- \* No promises no debts
- \* 2nd Live
- \* Last blast of the century

It's move groove move movin' inside of me  
With a steady beat I repeat steady beat  
My little muscle man lill' power plant don't step on it  
Nothin' to compete with that preece of meat so complete  
Here comes your doctor more  
Best one you can afford  
The good doctor's remedy  
Don't need no education

Don't need no dedication  
But I need my heartbeat!  
After makin' love next to me I can feel your heartbeat  
I love that motordrive just for keepin' you alive  
Mine's big enough and bad enough for the two of us  
It's a dynamo it's ruthless  
Don't need no information don't need no information  
But I need my heartbeat!  
Don't need no imagination. Don't need justification  
But I need my heartbeat!
