

Golden Earring, I Am A Fool

How could I?
How could I?
How could I leave you and put you down
Kid around
Think I found a better girl than you
I am a fool
Whenever
Whenever
Whenever I could get you in my arms
I will take a chance
and give my love to you again
I am a fool

I'm a fool
Such a fool
Whenever
Whenever
Whenever I could get you in my arms
I will take a chance
and give my love to you again
I am a fool
