

# Golden Earring, I Hate Saying These Words

Nice to me  
you will have to be so nice to me  
girl that's what you have to do  
when you want be back again  
I'll come back when you do what I say  
and I say  
put him down  
let him go  
and save your love for me  
let him get what I haven't had  
I hate saying these words to the girl I love  
but you've lost me  
do the things I hate that you don't  
you were wrong  
you can only help yourself  
baby you will have to help yourself  
girl that's what you have to do  
when you want be back again  
I'll come back when you do what I say
