

Golden Earring, I Need Love

* Mad love

Do you ever feel unhappy don't know what you wanna do

Do you do you get slap happy, give and take a few

Oh I never been this lonely, somethin' passed me by

I know what I'm missing, and it makes me cry

Hunting for bounty with a treasure map in my hand

And my secretary says she understands in short hand

Take a note, take a note

Did I really float, in my dreamboat

Is it time to try, before it passes me by

I need love, I need love, I need love

Give it to me

Don't deny me love, I need love, I need love

Lots of it

I wanna o.d. on it

I beg your pardon baby. Maybe you can help me out

Could you move a little closer

We don't have to shout you see I'm a desperate guy

You must've heard it all before

Oh you gotta go, - bye bye - Messin' me up some more

Hunting for bounty with a treasure map in my hand

And my secretary says she understands in short hand

Take a note, take a note

Did I really float in my dreamboat

Is it time to try before it passes me by

I need love, I need love, I need love

Give it to me don't deny me love

I need love, I need love, lots of it

I wanna o.d. on love

I need love, I need love

Let me have it

Let me lay my hands on love

I need love, I need love

Come on... don't deny me love

Everybody's talking about love

I need love

To boil my eggs, to stretch my legs

To scratch my back, before I hit the sack

I need love and with a little bit of luck

Love and not just a quick

- You know what - I need love

etc
