

Golden Earring, Jangalene

From the Albums:

* Together

* The naked truth

Jangalene, you're my queen
I can't get next to your love machine
Jangalene, you're my queen
My soul can't feel, what my eyes can see
Ooooooooooooo, Jangalene
Oh, Oooo, Jangalene
Drivin' all night in your Cadillac
Showing your beauty, you're drivin' me mad
From the Sunset Strip to a Sosselito Bar
I follow you down in my second hand car
Maybe you're a dream, flashin' by
But I trust my eyes, they are tellin' no lies
Ooooooooooooo, Jangalene
Oh, oh, oh, oh, Jangalene
