

# Golden Earring, Leather

Love at first sight, lasts all night  
Baby from the moment you opened my fly  
It's been alright, for my gesundheit  
Baby from the moment you crossed my eye  
Here it comes, here it comes  
I don't know where to go, it's a sadomasochism.

Sharper than a razor she hurts me with a laser-beam  
Medieval server, she do me no favour in between  
She stole, she stole my hard-earned money.

I got the straps on, you're having your fun  
Baby from the moment you beat my drum  
It's been alright, for my gesundheit  
Baby from the moment you opened my eye  
Here it comes, here it comes  
I don't know where to go, it's a sadomasochism.

Sharper than a razor she hurts me with a laser-beam  
Medieval server, she do me no favour in between  
She stole, she stole my dignity

Burnin' leather, keeps her together  
Burnin' leather, keeps her together  
Burnin' leather, keeps her together  
Burnin' leather, keeps her together
