

Golden Earring, Love In Motion

From the Album:

* The hole

Oh-oh my love's in motion
Yeah, you've got me on the run
Yeah, yeah, yeah, baby 'cross the ocean
That's where daddy points his gun
The truth comes out
Your lies 're never fast enough
The truth comes out
Like a pain in your sweet little ass dear
Take a ride on a slow train
Take a good look at your memory
Think it all over again
Make a choice & make sure you've decided
Mmm - my love's in motion
You've got me on the run
Yeah, yeah, yeah my love's in motion
Everything's upside down
Two fine hearts
They don't cheat, 'cause they're meant to last
Two fine hearts, they bleed when they're torn apart
Do not think I'm a bad boy
Maybe just a little broken toy
I've gotta thank you babe
Before I turn around - turn around
Oh-oh my love's in motion
Yeah, you've got me on the run
Oh-oh baby 'cross the ocean
That's where daddy points his gun
Yeah my love's in motion
Oh, you've got me on the run
Yeah yeah baby 'cross the ocean
That's where daddy points his gun
My love's in motion
Everything's upside down
