

Golden Earring, Motorbikin'

From the Album:

* Lovesweat

Motorbikin' (3x), motorcycling
Movin' on the queens' highway
Lookin' like a streak of lightrnin'
Too fast to live, too young to die
I bought a new machine and then they say
It takes your breath away
Motorbikin' (3x), motorcycling
Movin' on the queens' highway
Lookin' like a streak of lightrnin'
Baby won't you come with me
I'll take you where you wanna be
Here I am again, I'm dressed in black
I got my baby, she's ridin' up back
We're doin' about ninetyfive
I said: Oh, it's good to be alive
