

# Golden Earring, Motorbikin'

From the Album:

\* Lovesweat

Motorbikin' (3x), motorcycling  
Movin' on the queens' highway  
Lookin' like a streak of lightnin'  
Too fast to live, too young to die  
I bought a new machine and then they say  
It takes your breath away  
Motorbikin' (3x), motorcycling  
Movin' on the queens' highway  
Lookin' like a streak of lightnin'  
Baby won't you come with me  
I'll take you where you wanna be  
Here I am again, I'm dressed in black  
I got my baby, she's ridin' up back  
We're doin' about ninetyfive  
I said: Oh, it's good to be alive
