Golden Earring, My Little Red Book

From the Album:

* Lovesweat

I just got out my little red book the minute that you said goodbye I thumbed right trough my little red book I wasn't gonna sit and cry And I went from A to Zee I took out every pretty girl in town They danced with me and as I held them Refrain: All I did was talk about you Hear your name and then I start to cry There's just no gettin' over you, oh no Well there ain't no girl in my little red book who can ever replace your charms And each girl in my little red book knows you're the one I'm thinkin'of Oh won't you please come back without your precious love I can't go on Where can love be, I need ya so much
